

a celebration of the autumn equinox
PAINT YOUR WAY INTO THE DARKNESS

Garner inspiration from St. Michael, angel warrior, and the brave knight, St. George, and tame your dragon.

Cultivate your inner light of wisdom and courage as the light fades to darkness and bring balance, harmony and health into your life with color!

Join Robin Lieberman, painting therapist and psychotherapist, for this enlivening and reflective session. ALL are welcome, curiosity is the only prerequisite.
